From Assessor- Lisa Freeman

Home sales were strong during 2020 resulting in an increase in values for the 2021 assessment year. Land values for all classes (Agriculture, Commercial, Industrial and Residential) increased as well. Building permits are required for new construction including decks, accessory buildings, and additions. Please apply for a demolition permit before you tear down a building. Farmers need to file a use permit for construction of barns. Contact PCI for permit information. 1-616-877-2000. Michigan requires assessors to perform a physical inspection of 20% of the township each year. I will be taking pictures from the road. If more information is required, I will send a letter requesting the missing information. Thank you for your cooperation.

Field inspections help us determine the assessed value of your home by listing all the components and determining the amount of depreciation of those improvements. Sales studies also influence the value of property. Assessed value should represent 50% of fair market value.

Taxable value is the value your tax bill is based on. Assessors cannot change taxable value unless there has been a transfer of ownership, new construction, or an addition of property that was not previously

listed. Taxable value, by law, may never be higher than assessed value.

If you ever have questions about your property assessment, taxable value, or homestead exemption please call the township office. Lisa is in the office on most Tuesday afternoons.

Permits (Building, Electrical, Plumbing, Mechanical) are **required** for **all** construction (new building, remodeling, furnaces, water heaters, etc.) **New homes on agricultural property** need a **Special Use Permit** from the Twp. Planning Comm. **All AG buildings need a Zoning Compliance Permit.** Permit applications and questions directed to Professional Code Inspections- 616-877-2000

Burn Permits –269-686-5222

Burn Permit Reminder-The permit is only good for burning piles of brush, scrubs, and leaves (Any other materials that you wish to burn will require a special permit from the Fire Chief) The permit will be valid for the day that you call it in. You must have a water source nearby and attend the fire at all times. If the burn gets out of control, call 911.

Our “like new” 2007 Spartan RESCUE FIRE TRUCK was purchased last spring from Coal Valley, Illinois for \$179,000. Thanks to Mike Nagel and Kyle Eding for the time spent researching, dealing and picking it up. This Rescue Truck is in use and serving us well. Thanks also, to the community for supporting the Overisel Fire Dept.

Junk Ordinance. The Township is getting many complaints about properties that are in violation of this ordinance. **Vehicles need to be licensed and drivable to be parked on your property.** If they are not licensed or drivable they need to be inside a building or removed. We take pride in our Township being attractive and well-kept. This newsletter has information on how to dispose properly of things that need to be gotten rid of. Let's cleanup for health, safety and the negative effects it has on our properties.

TRANSFER STATION INFO

To use the transfer station, (1/4th mile North of Sandyview School on 46th St) you must buy a "card". **The card cost is \$20.00.** Township residents can purchase a card at the Transfer Station. The charges are based on the volume being dumped. It is open on the **first and third Saturday** of each month from 8:00 am to 5:00 pm. (Closed holidays, Jan. and Feb.) Please be reminded that we cannot accept yard waste, asphalt shingles, major appliances, tires or oil base paints.

CEMETERY NOTES:--

****Spring clean-up** has begun at both cemeteries. Green flower pots left last year will be setting next to the building.

**** Momentoes** left at grave sites need to be picked up in a timely manner or the cemetery caretakers will dispose of them.

Paper Gators accept newsprint, catalogs, magazines, junk mail, phone books, office/school paper, hard and soft cover books. (NO plastic, metal, trash, glass, cardboard, or paperboard—grocery item boxes.) By supporting these area Paper Gators you are saving taxpayer money. The township—(i.e. you the taxpayer)—pays for the paper in the Recycling Bins.

Thanks to Deputy Tyler Langerak for serving as our deputy. He has moved to Kent County. We **welcome Joe Knapp** as our new deputy. Joe is the father of 5 grown children (all Hamilton graduates), grandfather of 1, soon to be 2. Joe has coached Hamilton Football and is excited to be a Community Policing Officer for Fillmore and Overisel. He has worked for the Allegan County Sheriff's Dept. for 22 years in many different capacities. Joe reported 311 incidents in our township for 2020.

****Make sure your house numbers are visible from the road to help emergency vehicles find you if necessary.**

****There are State regulations that must be obeyed for anyone using an "Open Burn" permit. www.michigan.gov/openburning.**

****According to a study by Virginia Tech Transportation Institute, sending or receiving a text takes a driver's eye's off the road for an average of 4.6 seconds, the equivalent of driving blind at 55-mph for the length of an entire football field.**
